Suba Group of Hotels launched its first hotel in Deira, Dubai on 1st September 2014. The four star hotel combines the traditional Arabic design with contemporary elements of modern architecture and is the first four star hotel in Dubai to offer tablet controlled room lighting and television facilities.

Suba Hotel houses ninety-two tastefully decorated rooms and suites, modern leisure facilities and multi-cuisine dining options. Located in the heart of old Dubai, the hotel is in close proximity to the renowned tourist landmarks and historic destinations.

Mansur Mehta, Founder and Chief Managing Director, Suba Group said, "We are excited to bring the brand to Middle East and offer high quality services to our valued clients. Along with the experienced team of professionals led by CEO, Mubeen Mehta, and General Manager, Wajeed Bagwan, we are enthusiastically looking forward to our regional growth in the coming few years."

The rooms at the hotel are equipped with state-of-the-art facilities including satellite TV, high speed Wi-Fi internet and tablet controlled lighting and television facilities and the

suites have additional facilities including private Jacuzzis and rain showers. Suba hotel also offers indoor facilities that can accommodate 10-70 guests and outdoor catering services for up to 300 guests for business conferences, meetings and seminars.

Restaurants and Cafés at the Suba Hotel showcase diverse cuisines ranging from Arabic, Continental, Indian to Chinese. Cinnamon, Lobby Café, and fine dining outlets provide the guests a unique blend of local and international flavors under one roof.

With the establishment of the hotel in Dubai, Suba Group of Hotels is planning on launching three hotels in the region by then end of 2017.
